NORTH CAROLINA COMMUNITY FOUNDATION

2009 AFFILIATES

The North Carolina Community Foundation supports philanthropy through a unique affiliate structure in 65 local communities. Together with our affiliate partners, we establish and grow endowment funds, conduct local community grants programs and serve as a philanthropic resource to nonprofit organizations. Volunteer advisory boards guide their affiliate foundations to develop strategies that effect meaningful change

and work toward stronger communities.

Below is a listing of all of our affiliate partners and a snapshot of their local work. The board lists contained on the following pages capture all individuals who served during the fiscal year ending March 31, 2009. We extend our deepest gratitude to all of the volunteers and donors in each of our local affiliates and welcome our newest fund-holders, noted in bold.
